Baby Quilt – 42” by 42”

Metric - 108 cm by 108 cm

## Copyright Information

I have created all of my quilt patterns to be used as a FREE resource to other quilters. I am not selling them and explicitly prohibit others from doing so.

That being said, all you wonderful quilters please use them to create quilts for yourself and others. You may sell any quilts you make for a profit (no mass production). You may exhibit your quilts. I would love it if you all can use the patterns as a resource to help others, gifts for others who are sick or in need, our military, charities and fundraisers of any kind. You may use the patterns to teach classes as long as you provide the patterns free of charge to your students.

Quilt store owners – You are free to reproduce any of the patterns and provide them free of charge to your customers. If you can email me photos of any projects your customers complete making these patterns, I would deeply appreciate it.

Please respect the work I have done in creating these patterns. Make sure the patterns are not altered in any way and that proper credit is given if you are reproducing and sharing the patterns with others.

Please feel free to contact me if you have any questions.

I found all of these fabrics at <http://hancockfabrics.com> except for the dog fabric which was at <http://keepsakequilting.com>.

### **Fabric Requirements**

1. If the stripes and panels are the same fabric you need (2) yards.  
If the panel is separate you need (4) panels plus (1) yard of a striped fabric.
2. 1 ¼ yards background fabric.
3. ½ yard accent fabric.

### **Cutting Directions**

1. Fussy cut **the panels and striped fabric (Mine is the Pirate Fabric)**  
(4) 8.5” fussy cut squares  
(4) 2.5” by 23.5” fussy cut rectangles  
(4) 2.5” by 29.5” fussy cut rectangles  
(4) 1.5” by 8.5” fussy cut rectangles

### **Sewing Tips**

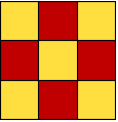

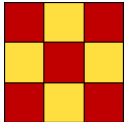

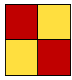

These pieces are small (1.5” square).

Make sure your seam is a SCANT ¼ “.

Finger pressing the small pieces will cause less distortion.

Sew one 9-Patch block and make sure it measures 3.5” square before making the rest.

Sew one 4-Patch block and make sure it measures 2.5' square before making the rest.

<p>A. 9-Patch</p> 	<p>(20) blocks measuring 3.5" (Note the accent fabric is in the corners and center.)</p>
<p>B. 9-Patch</p> 	<p>(4) blocks measuring 3.5" (Note the background fabric is in the corners and center.)</p>
<p>C. 4-Patch</p> 	<p>(8) Blocks 2.5" square</p>

## Make the Center Medallion.

It is critical that your seam is 1/4".  
This unit should measure 17.5" square.

**NOTE:** Your unit might look different because of how your had to fussy cut your border fabric.

I needed to cut so that I had the extra lines on the top and bottom of my 8.5" square.  
Some fussy cut motifs will be bigger and won't have this line.  
Just work with your fabric.
