Full/Queen – 95” by 95”

Twin – 68” by 95”

Baby or Lap Quilt – 41” by 41”

Block Size – 13.5”

This is an excellent quilt for Charm Packs, Fat Quarters and Fat Eighths. I just finished a totally scrappy twin top using Charm Packs and love it. I supplemented with some additional fabric from my stash.

If you would like to make a striped binding cut on the bias and need help you can download my free TIP on how to do this.

That being said, all you wonderful quilters please use them to create quilts for yourself and others. You may sell any quilts you make for a profit (no mass production). You may exhibit your quilts. I would love it if you can use the patterns as a resource to help others, gifts for others who are sick or in need, our military, charities and fundraisers of any kind. You may use the patterns to teach classes as long as you provide the patterns free of charge to your students.

Quilt store owners – You are free to reproduce any of the patterns and provide them free of charge to your customers. If you can email me photos of any projects your customers complete using these patterns, I would deeply appreciate it.

Please respect the work I have done in creating these patterns. Make sure the patterns are not altered in any way and that proper credit is given if you are reproducing and sharing the patterns with others.
