Copyright Information

I have created all of my quilt patterns to be used as a FREE resource to other quilters. I am not making a profit on them and explicitly prohibit others from doing so.

That being said, all you wonderful quilters please use them to create quilts for yourself and others. You may sell any quilts you make for a profit (no mass production). You may exhibit your quilts. I would love it if you all can use the patterns as a resource to help others, gifts for others who are sick or in need, our military, charities and fundraisers of any kind. You may use the patterns to teach classes as long as you provide the patterns free of charge to your students.

Quilt store owners - If you would like to reproduce any of the patterns and provide them free of charge to your customers, please email me first.

Please respect the work I have done in creating these patterns and make sure proper credit is given if you are reproducing and sharing the patterns with others.

Please feel free to contact me if you have any questions.

Fabric Requirements:

The following quilt sizes are the sizes of the finished quilt, including the border. The border is very easy and uses the extra fabric from the FQs plus a few extra FQs.

Each block is 16” finished. You will need one FQ for each block. You may substitute a FQ for a ¼ yard cut of fabric. The border is 8” finished.

Choose Your Quilt Size and Fabric:

Lap	48” by 48”	9 FQs	1½ yd background fabric
Twin	64” by 80”	17 FQs	2 ½ yds background fabric
Full	80” by 96”	24 FQs”	3 yds background fabric
Queen	96” by 96”	28 FQs	3 ¾ yds background fabric

Fabric Choice suggestions:

Hawaiian prints
Florals
Fruits and Veggies
Different fabrics all one color
Amish colors
All one fabric line
Civil War
30’s repro
Batiks
Children’s novelty fabric

Cutting your FQs

Here are the FQs you will need for the blocks and border for this quilt.

Note: If your FQ is slightly smaller than the true 18" by 22" FQ size you can still use your FQ. The pattern was designed to accommodate the fabrics coming from the smaller width bolts (40" or 42") and does not need a full 44" wide bolt.

You can also substitute your FQ with a ¼ yard cut of fabric.

Cutting FQs for Your Blocks

Each block needs one 8.5" square and eight 2.5" by 8.5" rectangles. The remaining rectangles will be used in the borders.

Blocks needed for your quilt:

Lap 4 blocks
 Twin 12 Blocks
 Full 20 blocks
 Queen 25 blocks

Strips	Size of Strip	Then Cut	8.5" Square	2.5" by 8.5" Rectangles
2	8.5" by 22"		1	12 or 13

If using a ¼ yard cut instead of a FQ do the following:

Strips	Size of Strip	Then Cut	8.5" Square	2.5" by 8.5" Rectangles
1	8.5" by Width of Fabric		1	12 or 13

Cutting FQs for Your Border

1. From 1 FQ cut:

Strips	Size of Strip	Then Cut	9" Squares	2.5" by 8.5" Rectangles
1	9" by 22"		2	0 or 1
2	8.5" by 22"			7 or 8

If using a ¼ yard cut instead of a FQ do the following:

Strips	Size of Strip	Then Cut	9" Squares	2.5" by 8.5" Rectangles
1	9" by 18"		2	
1	8.5" by the rest of your ¼ yard cut.			8 or 9

2. Remaining FQs will be used in your border.
Cut into 8.5" strips and crosscut into as many 2.5" cuts as fabric allows.

Total Rectangles of FQ fabric needed for your border

	Lap	Twin	Full	Queen
2.5" by 8.5" Rectangles	64	112	144	160

Cutting the Background Fabric

Squares	Lap	Twin	Full	Queen
9"	2	2	2	2
2.5"	192	416	608	720
4.5"	16	48	80	100

Constructing Your Block

This is the Easter Lily, a traditional block.
It finishes at 16" for this quilt.

1. For each 2.5" by 8.5" rectangle:
Place a 2.5" square at each end and sew a diagonal line.
Trim leaving a 1/4" seam allowance. Press to the outside.

2. Join two of these two winged units together. Press seam up. Make 4 units per block.

3. Sew two of these to either side of your 8.5" square. Press to the center.

4. Sew 4.5" squares to either side of your other two winged units. Press to the white squares. Make two of these units per block.

5. Sew your units together to complete the block.
Press to the center.

6. Join your blocks together to make your quilt, nesting the seams between blocks and rows.

Constructing Your Border

Making your HST corner squares:

Take your two 9" colored blocks and your two 9" background blocks. Draw a diagonal line on the backs of the background blocks. Sew $\frac{1}{4}$ " on either side of the diagonal line. Cut the diagonal line. Press to the colored fabric.

Square up to 8.5"

Making the rest of the border:

1. Take your remaining 2.5" by 8.5" rectangles with a triangle of background fabric on each side. Join them in pairs, making a scrappy arrangement. Join the pairs to make four to a unit. Join the four unit pieces to make 8 to a unit.

You need one 8 unit border piece for each outside block on your quilt.

2. Sew your 8 unit pieces to make all four borders.
3. Add the HST units to either side of your top and bottom borders.
4. Sew the side borders and press to the center.
5. Sew the bottom borders and press to the center.
