I have created all of my quilt patterns to be used as a FREE resource to other quilters. I am not making a profit on them and explicitly prohibit others from doing so.

That being said, all you wonderful quilters please use them to create quilts for yourself and others. You may sell any quilts you make for a profit (no mass production). You may exhibit your quilts. I would love it if you all can use the patterns as a resource to help others, gifts for others who are sick or in need, our military, charities and fund raisers of any kind. You may use the patterns to teach classes as long as you provide the patterns free of charge to your students.

Quilt store owners - If you would like to reproduce any of the patterns and provide them free of charge to your customers, please email me first.

Please respect the work I have done in creating these patterns and make sure proper credit is given if you are reproducing and sharing the patterns with others.

Please feel free to contact me if you have any questions.

The Sentimental History of My Sentimental Scraps Quilt:

The quilt was started by my DH's Aunt Judy. She made the center of the quilt. She was making it as a memory quilt with fabric from her mother's stash (Judy is about 70). She is having problems with her eyes and can't sew anymore so she gave me the quilt top. She felt very sad when she gave me the quilt top in the summer of 2008. I know she gave it to me because she wanted it to be finished, even if it wasn't finished by her.

I am finishing the quilt and will be sending it back to her as a surprise. She thought she had given it away permanently.

Judy's quilt is 76" by 100" (14 blocks by 20 blocks).

Choose a quilt size:

Baby – 46" by 54" (6 blocks by 8 blocks)

Lap – 68" by 68" (12 blocks by 12 blocks)

Twin – 76" x 92" (14 blocks by 18 blocks)

Full/Queen – 92" by 92" (18 blocks by 18 blocks)

King – 108" by 108" (22 blocks by 22 blocks)

You can actually make this quilt a lot of different sizes.

All blocks are 4" finished (4.5" unfinished)

The blocks in the width and length of the body of the quilt must each be an **EVEN** number of blocks.

I added extra borders.

Fabric Requirements:

Background fabric – 1 yard
Inside solid border – 3/8 yard
Outside solid border - ¼ yard (optional)

Lap –70” by 70” (12 blocks by 12 blocks)
Scrappy 2.5” squares – (672) or (2 ¾ yards)
Background fabric – 2 yards
Inside solid border – ½ yard
Outside solid border – 1/3 yard (optional)

Twin – 78” x 94” (14 blocks by 18 blocks)
Scrappy 2.5” squares – (1064) or (4 ¼ yards)
Background fabric – 3 yards
Inside solid border – ½ yard
Outside solid border – 1/3 yard (optional)

Full/Queen – 94” by 94” (18 blocks by 18 blocks)
Scrappy 2.5” squares – (1312) or (5 yards)
Background fabric – 3 ½ yards
Inside solid border – 2/3 yard
Outside solid border – ½ yard (optional)

King – 110” by 110” (22 blocks by 22 blocks)
Scrappy 2.5” squares – (1856) or (7 yards)
Background fabric – 5 yards
Inside solid border – ¾ yard
Outside solid border – ½ yard (optional)

Making your blocks:

You can have a more organized scrappy like Judy has in her quilt.

OR

You can make the blocks totally scrappy.
